SHARE YOUR STYLE!

HSL Worldwide Lighting Corporation, WLC, is a premiere designer, manufacturer and direct importer of fine quality chandeliers, lighting fixtures, and interior table & floor lighting for the residential, commercial and hospitality building markets.

Worldwide Lighting creates exquisite designs in traditional and contemporary lighting fixtures, paying utmost attention to aesthetics and décor. You'll find unmatched quality and artistry in every luminaire we produce.

Our mission is to enhance your lighting needs with exceptional quality and value. Our design engineers can easily create something completely unique to a client's or designer's imagination.

We invite you to explore and experience the beautiful prism we call Worldwide Lighting!
